[51 FR 398, Jan. 6, 1986, as amended at 60 FR 17269, Apr. 5, 1995]

### § 573.7 Lists of purchasers, owners, lessors and lessees.

(a) Each manufacturer of motor vehicles shall maintain, in a form suitable for inspection such as computer information storage devices or card files, a list of the names and addresses of the registered owners, as determined through State motor vehicle registration records or other sources, or the most recent purchasers where the registered owners are unknown, for all vehicles involved in a defect or noncompliance notification campaign initiated after the effective date of this part. The list shall include the vehicle identification number for each vehicle and the status of remedy with respect to each vehicle, updated as of the end of each quarterly reporting period specified in § 573.6. Each list shall be retained, beginning with the date on which the defect or noncompliance information report required by § 573.5 is initially submitted to the NHTSA, for 5 years.

(b) Each manufacturer (including brand name owners) of tires shall maintain, in a form suitable for inspection such as computer information storage devices or card files, a list of the names and addresses of the first purchasers of his tires for all tires involved in a defect or noncompliance notification campaign initiated after the effective date of this part. The list shall include the tire identification number of all tires and shall show the status of remedy with respect to each owner involved in each notification campaign, updated as of the end of each quarterly reporting period specified in § 573.6. Each list shall be retained, beginning with the date on which the defect information report is

initially submitted to the NHTSA, for 3 years.

(c) For each item of equipment involved in a defect or noncompliance notification campaign initiated after the effective date of this part, each manufacturer of motor vehicle equipment other than tires shall maintain, in a form suitable for inspection, such as computer information storage devices or card files, a list of the names and addresses of each distributor and dealer of such manufacturer, each motor vehicle or motor vehicle equipment manufacturer and most recent purchaser known to the manufacturer to whom a potentially defective or noncomplying item of equipment has been sold and to whom notification is sent, the number of such items sold to each, and the date of shipment. The list shall show as far as is practicable the number of items remedied or returned to the manufacturer and the dates of such remedy or return. Each list shall be retained, beginning with the date on which the defect report required by § 573.5 is initially submitted to the NHTSA, for 5 years.

(d) Each lessor of leased motor vehicles that receives a notification from the manufacturer of such vehicles that the vehicle contains a safety-related defect or fails to comply with a Federal motor vehicle safety standard shall maintain, in a form suitable for inspection, such as computer information storage devices or card files, a list of the names and addresses of all lessees to which the lessor has provided notification of a defect or noncompliance pursuant to 49 CFR 577.5(h). The list shall also include the make, model, model year, and vehicle identification number of each such leased vehicle, and the date on which the lessor mailed notification of the defect or noncompliance to the lessee. The information required by this paragraph must be retained by the lessor for one calendar year from the date the vehicle lease expires.
